Lounging against the door jambs,
Bland eyes scanning girls
And skimming books, cigarettes like fangs
In the corners of mouths. Cool, composed,
But at center confused."

Dear ELEN,

Well the first half of the year I didn't see you too much, but the SECOND half was great. Remember our life long agreement? Listen SINNOT, ~~we~~ neither of us have a O.S. anymore - but we've both got something a hell of a lot better. Take care, I'll see you in the summer (at this hole next year)

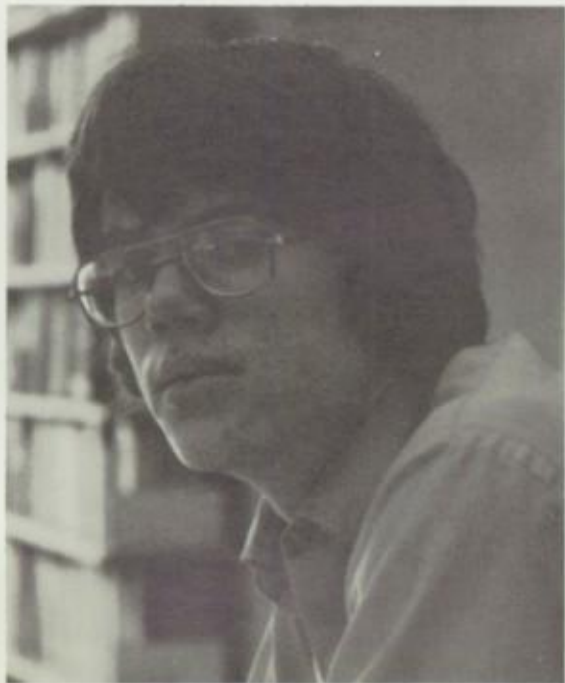

Love,
Haipin

We Thank You, Mr. Quinn

The Staff of Statesman 1975 would like to take this opportunity to salute Everett Quinn. His expert planning and leadership have helped to make our school district among the finest in the state.

Everett Quinn has been associated with the Katonah-Lewisboro schools all his life. In 1930 Mr. Quinn graduated from Katonah High where he had been a member of the school's first football team. Years later, in 1956, Mr. Quinn was appointed Supervisor of Buildings, Grounds, and Transportation. In that capacity he helped plan and execute building programs for five schools and additions to three. He also was instrumental in the development of a pupil transportation system that has become a model of safety and efficiency for districts throughout the state.

Before being appointed to the staff, Mr. Quinn served as a member of the Board of Education and was its president from 1954 to 1959.

We thank you, Mr. Quinn, for your many years of service and your great accomplishments for the Katonah-Lewisboro School District. We will never forget your dedication to the students of our area.

C-Annex

The Editors of Statesman 1975 dedicate this book to the faculty members and students whose long hours of arduous labor have helped make C-Annex a reality.

In 1970 science teacher John Linstra realized that what the science department needed was a cheaper and more convenient way of obtaining fertilized eggs for biology. His solution was to have a senior design a chicken coop that would be built behind C-Building by the shop and biology teachers along with student volunteers.

However, what began as a simple chicken coop soon grew into the spacious construction it is today, thanks to the great imagination of its designer.

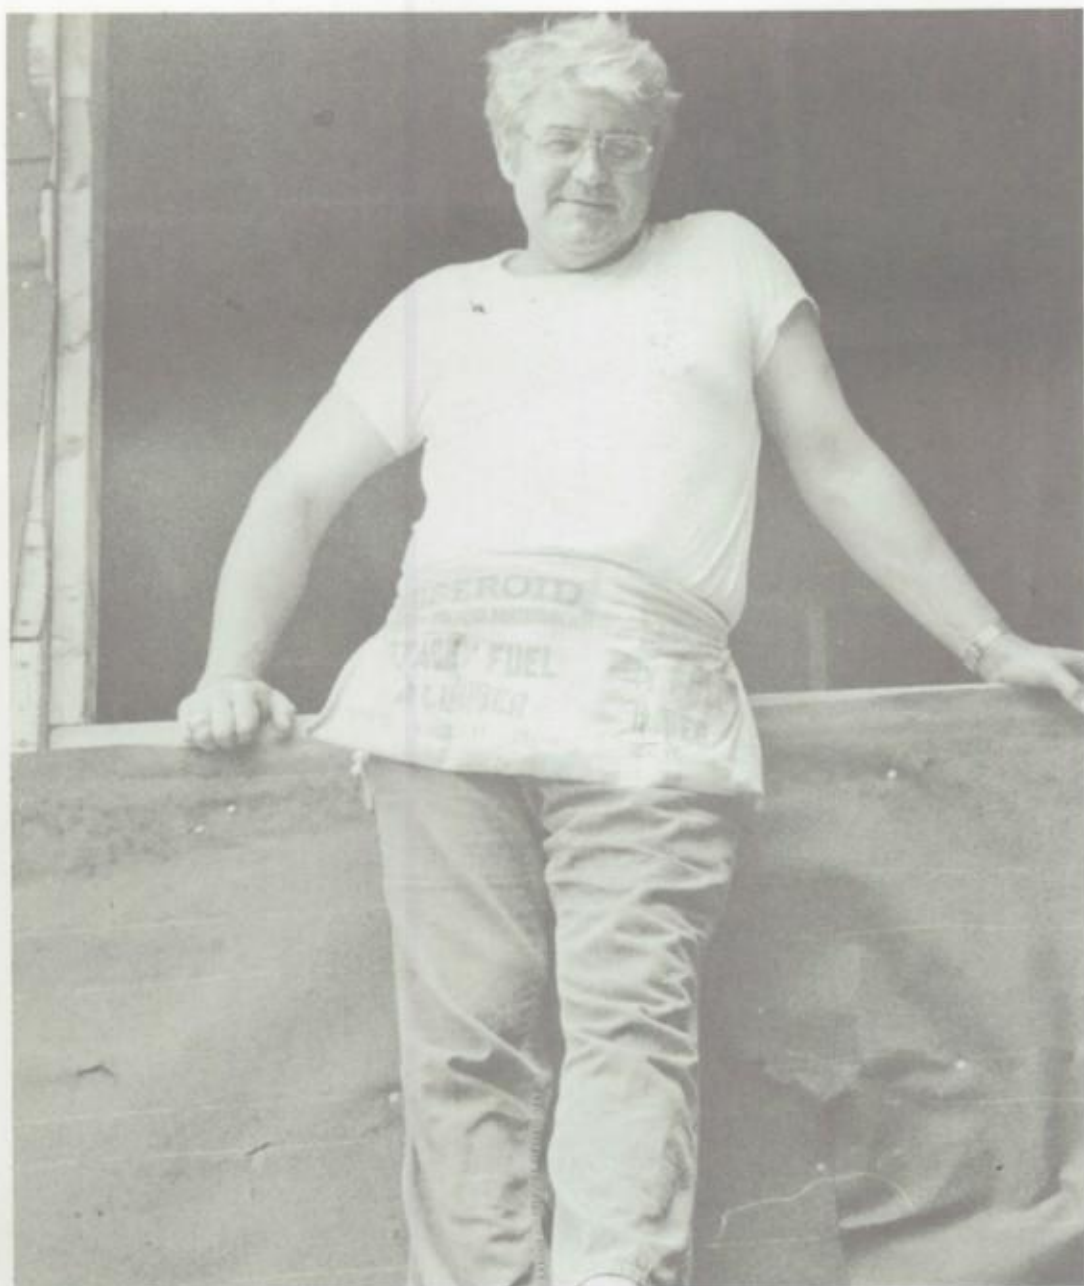

In the spring of 1971, the foundation was completed. All that summer students and teachers hauled materials so that when the 1971-72 school year had ended, the floor had already been capped. The workers next framed the building and by the summer of 1972 the annex was complete with a roof, rough siding, and door and window openings.

The 1973-74 school year was spent raising money. This was accomplished through generous contributions from Sock and Buskin and **The Statesman**, public donations, the school soda machine, the horse show that the C-Annex Club sponsored, and a volleyball tournament staged by the John Jay Faculty Association. Other methods of collecting money were a booth at the John Jay Fair and

donations from local stores. This large amount of funds was needed for the electrification of the annex.

By the time the fall of 1974 came around, the building was almost finished, complete with a "beautiful wooden door." It is hoped that by the end of the 1974-75 school year it will have power and water. The annex will then be under school jurisdiction at which point the district will cover all costs such as maintenance and electricity.

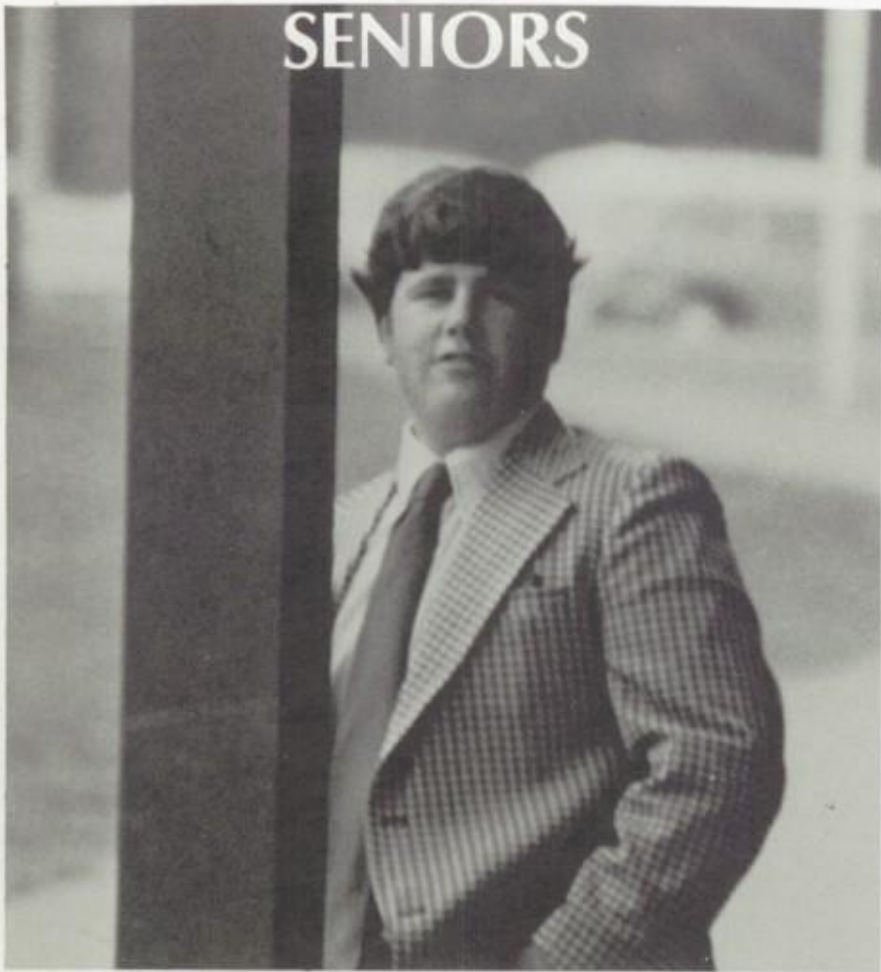

The following people deserve acknowledgement for their contributions to the building of C-Annex: Mr. McEnaney and Mr. Ticknor, whose wide knowledge of construction was of great use during the project; Mr. Lightner, Mr. Gibson, and Mr. Kochanov who gave so much of their time to the creation of the building. And, of course, there were the many students who worked on the C-Annex project. A large number of young people enthusiastically devoted many hours to this task.

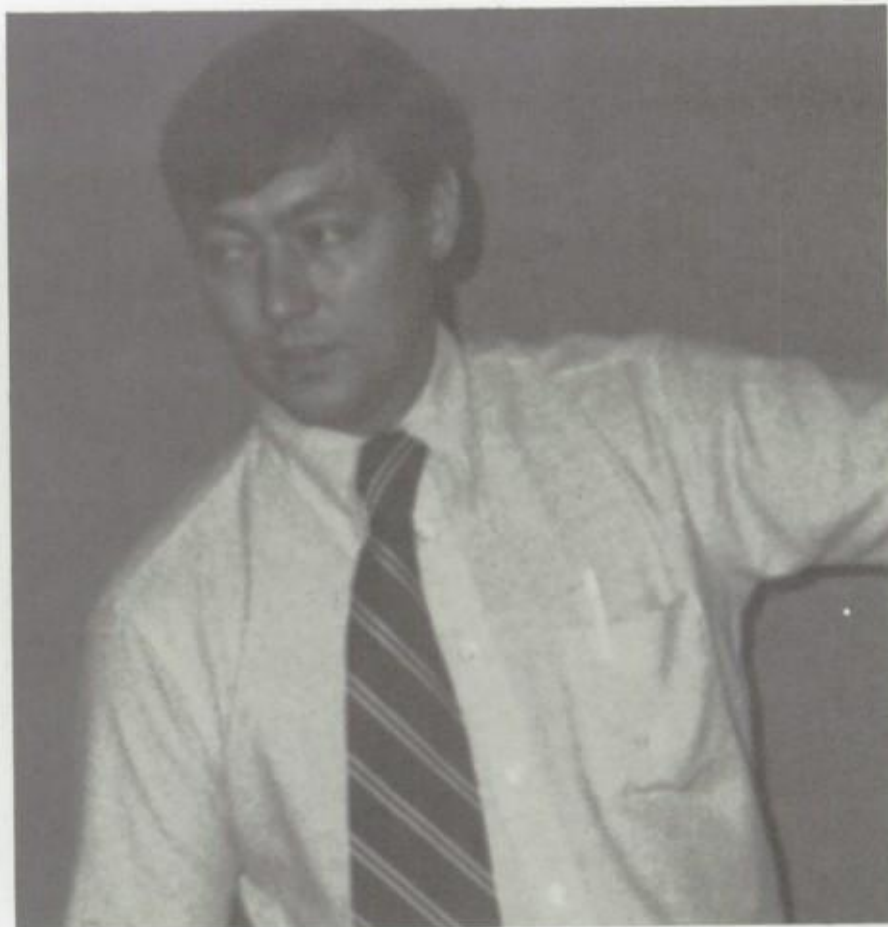

"Thank You, I.C.B."

SENIORS

Ms. Cassar and Mr. Johnston:

Class officers—Bob Tedaldi, Vice-President; L. Grotheer, Treasurer; B. Seirup, President; J. Lazzarro, Secretary; Mr. Wirchansky, Class Advisor.

John Jay's Junior Class cannot help but being anything short of extraordinary in later life. They will graduate with a bang in 1976 on the 200th anniversary of the U.S.A and the 20th anniversary of Mr. Wirchansky's employment at John Jay.

The STATESMAN foresees many men and women of importance and virtue in this historic class. We envision great novelists, for Jack London was born exactly 100 years prior to their graduation. Among the class of 76 it is certain there will be great politicians and inventors, for in the year 1876 Colorado was admitted to the Union and Alexander Graham Bell invented the telephone. But the old adage, "There's one in every crowd" is true in this case.

In 1876, one hundred years before this class is to graduate, an Indian battle took place on the Little Big Horn, known as Custer's Last Stand.

Officers L. to R: Nancy Shapiro, President, Kim Fox Vice-President, Secretary-treasurer, Jill Siegfried, Mr. Sweeney, Class Advisor.

This year's sophomore class, led by Mr. Sweeney has finally taken the big step up from the junior high to the senior high. The winding path between the two schools is a rocky road, but the Class of '77 made the trip all right. It was like being drafted. Each student received his own schedule, map and handbook. Upon receiving these he was given a gentle shove in the right direction. Some caught on, some didn't, and others even got lost. However, in a few weeks everyone settled down. By now the sophomore has taken to comfortably lining his path with crushed soda cans. He has been subject to much mental stress. For the first time in two years he is the little fellow everyone looks down on. But he diligently buckled down, head to the grindstone, and he is now looking forward to two more years of fun.

FRENCH CLUB

Wine and onions, chicken and rice,
Eye of newt and lots of spice,
100-proof whiskey and crocodile-aid,
sounds like something the French Club made.

The French Club led by Ms. Chary has always been one of John Jay's more successful organizations. Students who mysteriously disappear into B-building in September emerge in October as energetic members of the club.

The German Club has taken a stand for the fourth year in a row. Despite being the youngest of the language clubs, it's achievements have been admirable. The Christmas dinner, Fair, New York field trips and expanded membership have made this their most productive year.

Art Club members work incognito, making posters, billboards, and backdrops for plays. For the past three years they have been earning money for the construction of a gas-fired kiln. While a sufficient amount has been raised for most of the parts, more funds are necessary for a building to house it.

Helping disabled motorists, giving first aid, working with the Red Cross, and directing traffic are just a few of the many services which Westchester County REACT performs. This student branch of a nationwide organization continues to help those in need. Members: M. Towey, C. Bergh, J. Percoco.

BIKE CLUB

On June 27, 1974, Lee Dayton and Steve Hoyt departed from Coos Bay, Oregon to trek 4,000 miles across the United States. The two travelled through thirteen states, met a couple of black bears, and took showers whenever possible. It took fourteen months of preparation to make this trip a reality. They returned to Katonah on August 25th. Welcome home, Steve and Lee!

REFLECTIONS

John Jay's very own literary magazine once again has striven to recognize the best examples of writing and art work produced during the school year. Under the guidance of Miss Montgomery and the editorship of Garth Hall and Judy Pines, this year's edition is a great one.

Row One: L. Rudeen, E. Goldbaum, C. Ribaud, P. Schwarz, T. Kafalas. Row Two: L. Humphries, J. Pines, Advisor, Miss Montgomery, K. Morton, G. Hall, B. Hansen, J. Getler, K. Logan, D. Kenny, R. Logan, N. Bresnicky, L. Grotheer, G. Iusi.

John Jay's "Ski People" consist of a large cross-section of students. While lack of snow discouraged many activities in the past, this year the weather was more cooperative. Those who have never skied before took part in the "finest hour" of the club along with John Jay's traditional Boogie Squad.

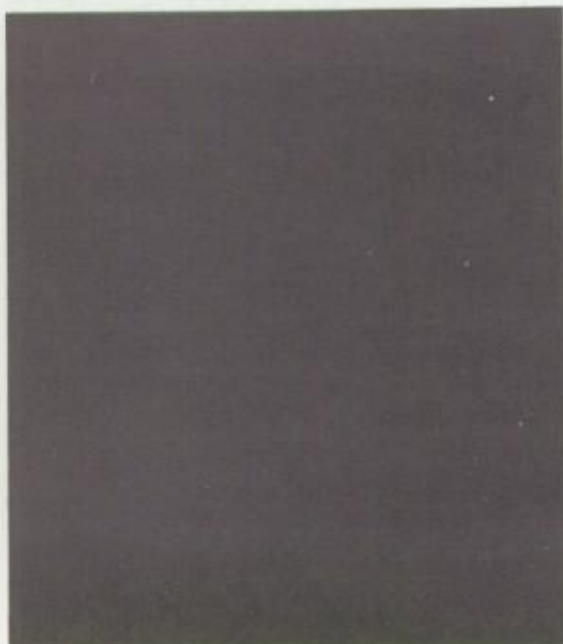

ASTRONOMY CLUB

Overheard at an Astronomy Club night lab:
 "What is that bright white thing up there?
 Could it be a UFO?" "No, maybe it's Saturn."
 "But it has no rings, it must be Arcturus." "Well,
 whatever it is, it's about to land at the
 Westchester County Airport!" Below: The

It is hard to get NHS members together as a group since they all are involved with other activities at school. Even so, this organization has sponsored such events as a tag sale at the Fair, a Christmas Drive for the children of Blythedale Hospital, and the American Film Theater, which enabled students to see five fine movies based on modern plays.

The Student Union committee, composed of a group of very active students, has tried to change our cafeteria in some significant way. At times it has been successful, and by the end of the year, its members hope that it will have created a new system that will serve the students to their satisfaction.

STATESMAN 1975

The making of *Statesman 1975*: A quiet beginning in the spring of 1974—a desperate search for an original introduction—three-man meetings—Disappearing editors—57' Namsetats—"Where's Mr. Curry?"—Negotiations with Delma Studios—"Where's Angela?"—Two-man meetings—Long-distance calls to Cheryl in Alabama—Finally, John Jay's most colorful book ever, as well as the greatest yearbook in history (or so thinks the staff).

Cover design by Karen Huffmire.

LETCHWORTH VOLUNTEERS

These preposterous persons' purpose is to propel themselves to other schools and divulge deep dark secrets from foreign folks concerning the crafts of holidays with song and salutation.

SING THING

Coached by Mr. Houston, this year's "mathletics" team appears more rational than ever. There are many new members who rarely go off on tangents, which is a very good sign.

KEY CLUB

The Key Club, which has been silent for many years, has once again become an important organization at John Jay. It has encouraged students to become involved in office activities. Working mostly behind the scenes, the Key Club has helped to make such events as Parents' Night a success.

TECH CENTER

The Tech Center students have worked hard all year to achieve mastery of the skills required for the future professions they have chosen. A wide variety of useful courses are taught in Yorktown, such as photography, nursing, and carpentry. This is a vital portion of our educational community.

The Student Council also presented the student body with such speakers as Congressman Hamilton Fish. This year's Student Council has been marked by a renewed spirit of enthusiasm and cooperation.

AFS WORLD TRAVELLERS

DAVID PANCOAST

Dave is spending his senior year in sunny Australia, where we hope he is enjoying his warm, long, leisurely summer vacation during our hectic, freezing winter months. Wish you were here, Dave.

LISA FARRELL

Another John Jay traveller is Lisa Farrell, who is spending her last year of high school in Brazil, where she has three seamstresses and three servants and enjoys wild parties with her native sister.

EDRIS BERGER

"If you have a friend to share your sadness with, it's half the burden; but to share your joy is to double it."

The Katonah Rotary Club selected Edris Berger to be John Jay's exchange student to Sweden for 1974. She had little trouble adjusting to the language and customs of the country because of her previous experiences in foreign lands. Edris will be back in June to share her new experiences and stories with us.

YUMIKO KAKU

Yumiko Kaku is John Jay's exchange student this year, having left her native Japan in search of knowledge of the customs and ways of the United States. Yumiko has made quite a valuable contribution to our school environment, having shown her prowess on the volleyball court as well as in the classroom. We will never forget the experiences we shared with you, Yumiko, and we wish you good luck in the future.

C. Engle, S. Bresnick, C. Bergh, K. Fine, L. Gleckler, D. Hunger, L. Lipinsky, J. Cole, P. Rennert.

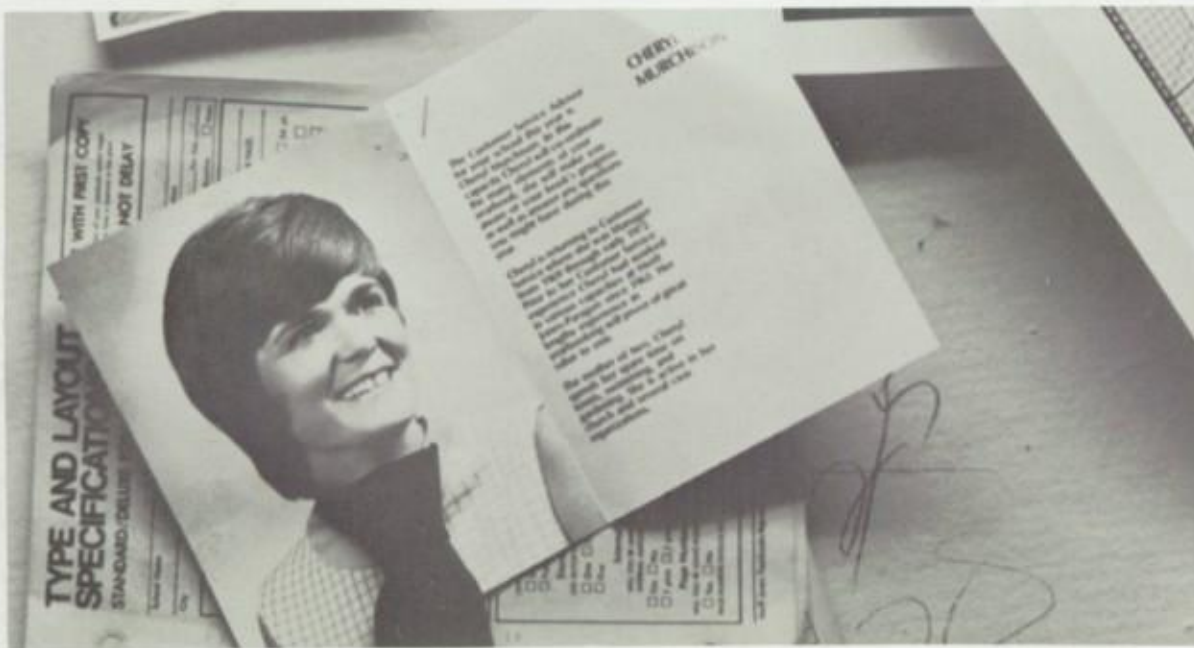

L, J, S, DOUBLE C

Director, L. Lipinsky, Cameraman, J. Cole.

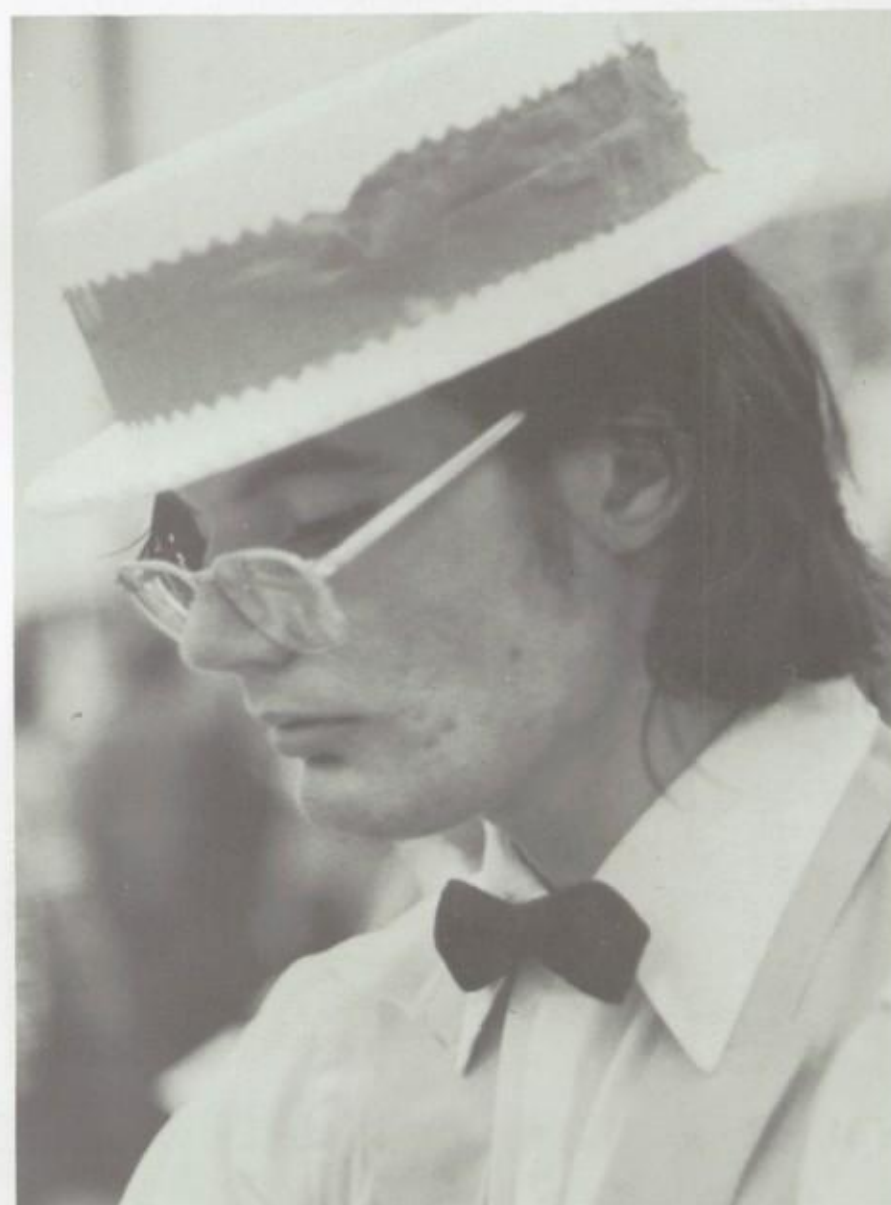

John Jay's own version of M.G.M. has continued filming this year with a new cast of talented performers. The 1974-5 season includes such cinema classics as "Columbeau" and "Divorce Court", all produced under the watchful patronship of their advisor, Ms. Chary.

EVENTS

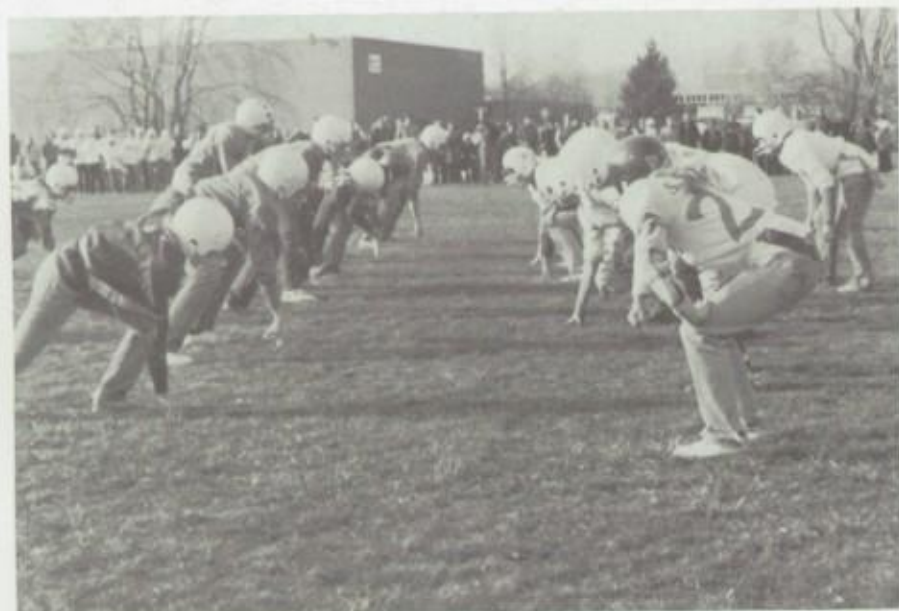

The 1974 John Jay "Wild West" Fair was filled with gunslingers, sheriffs, sasparilla bars, and hundreds of happy students, parents, and anyone else who wanted to spend a fun-filled afternoon trying their luck at games of chance or the numerous raffles that benefitted many John Jay activities and organizations. To add to the atmosphere, Grath Hall and Jim Eisner played up a storm of ragtime on the piano. The Fair was truly one of the most successful ever.

ROY CAMPANELLA

On December 18, 1974, John Jay had the honor of being visited by a "Hall of Famer", Roy Campanella, one of baseball's all-time greats. Campy talked to the students about education and how it will stay with us all our lives. After his talk there was an animated question and answer period that centered around his illustrious baseball career. This was one of the highlights of the '74-'75 school year.

POWDER PUFF FOOTBALL

Once again the traditional John Jay Powder Puff football game was battled on the high school gridiron. The seniors, led by Kelly Conway and Mary Lewis, trounced the junior team 20-0 in a game that was filled with a strong offense on the senior team and excellent defenses on both sides. After this year's loss the juniors should be ready to do battle against the class of '77 next fall. With the fine refereeing of Mr. Wirchansky, the game was a total success.

TWELFTH NIGHT

Sock 'n' Buskin Presents: "Twelfth Night".
On January 10 and 11, 1975, Sock 'n' Buskin performed Shakespeare's rollicking comedy, "Twelfth Night" for their annual fall production

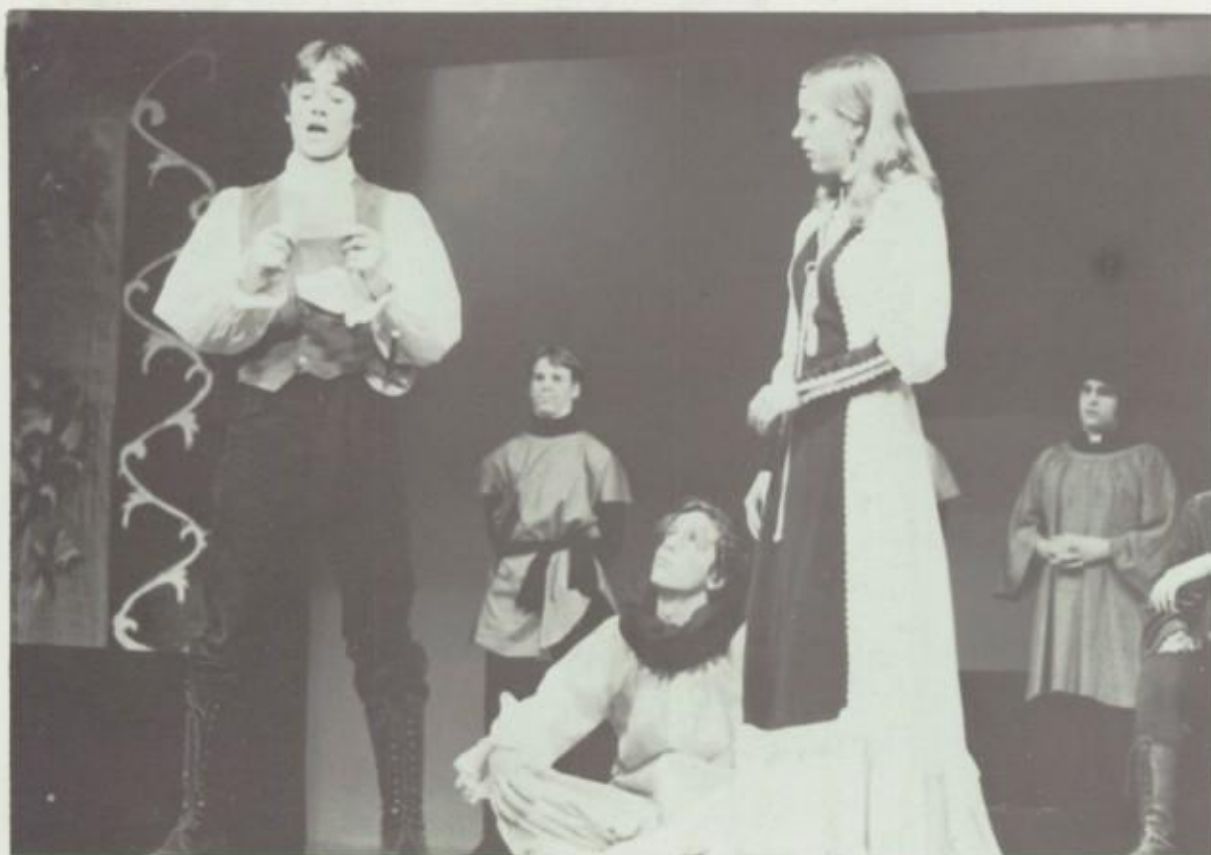

The Players:

Viola—Libby Sporborg
Orsino—Brian Seirup
Olivia—Stephanie Dayton
Sir Toby Belch—Roger Logan
Sir Andrew Aguecheek—Mark Nininger
Maria—Kimberly Fox
The Clown—Russell Dunn
Malvolio—Stephen Plaushin
Sebastian—Bill Higbee
Antonio—Jeff Mason
Fabian—Chris Kerr

The Plot:

Viola, believing her twin brother Sebastian drowned in a shipwreck, decides to dress as a boy and become a servant of the Duke Orsino. Orsino is in love with the lady Olivia and sends Viola to woo her for him. Olivia falls in love with the disguised Viola, and Viola with the Duke. Then, Sebastian, not dead after all, enters the scene and, after much mistaken identity, marries Olivia and Viola gets the Duke. There is a lot of jesting and laughter among the other bawdy characters.

FREDONIA JAZZ ENSEMBLE

One of the very special events of the school year came when the Junior class sponsored a concert by the swinging Fredonia Jazz Ensemble. In a series of performances that were better than any from Carnegie Hall, the group filled the halls of John Jay with the coolest jazz around.

CAMPUS QUEEN/BMOC

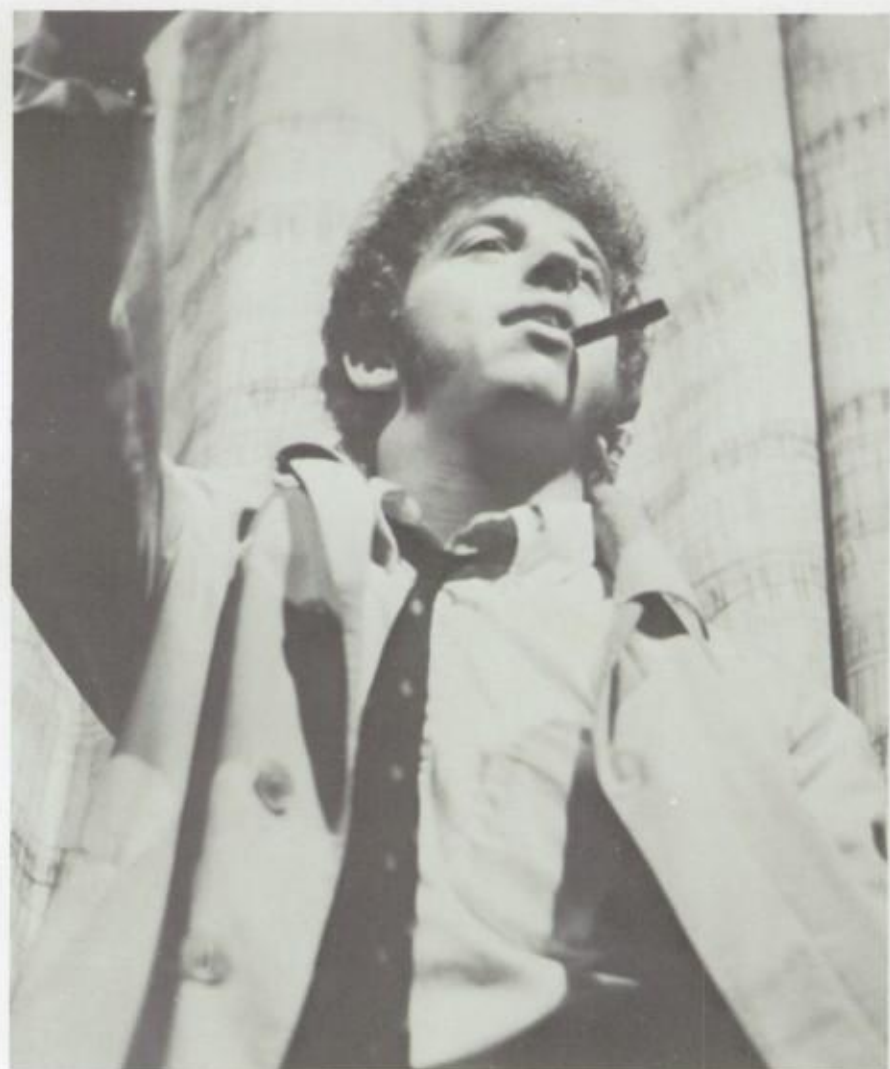

This year the tradition of electing a Campus Queen was revived at John Jay along with the Big Man on Campus, a new honor to be bestowed on the most popular senior boy. This year, in a very close competition, the beautiful Darlene Tymon and the Charming Collen Engle won the titles. It is hoped that this tradition will be continued in the future.

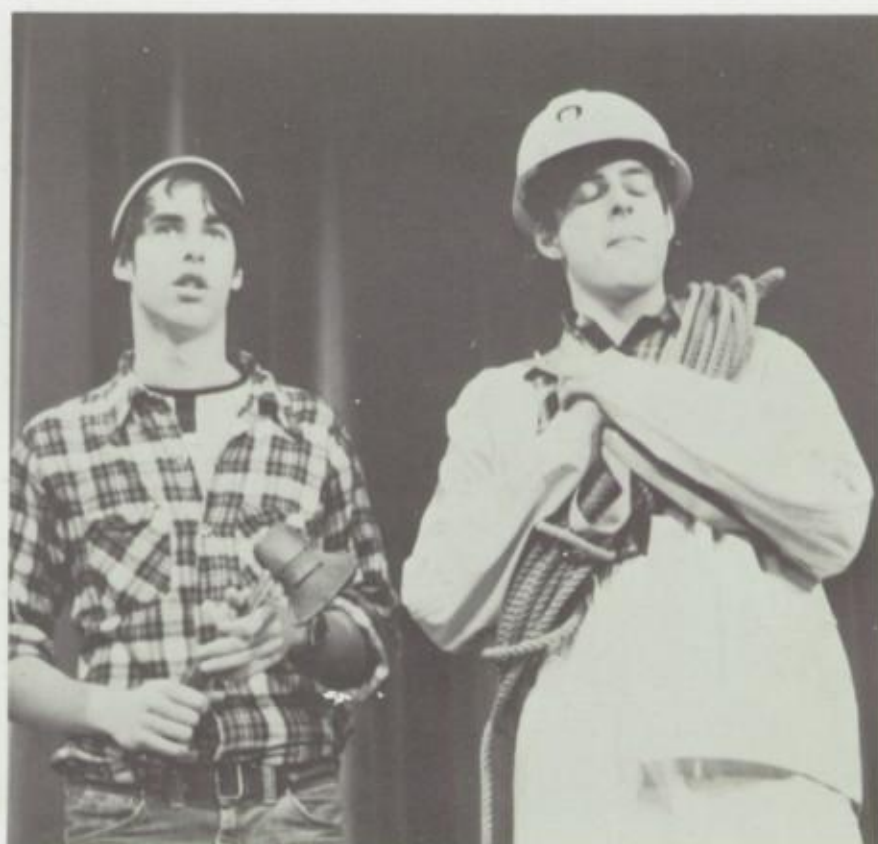

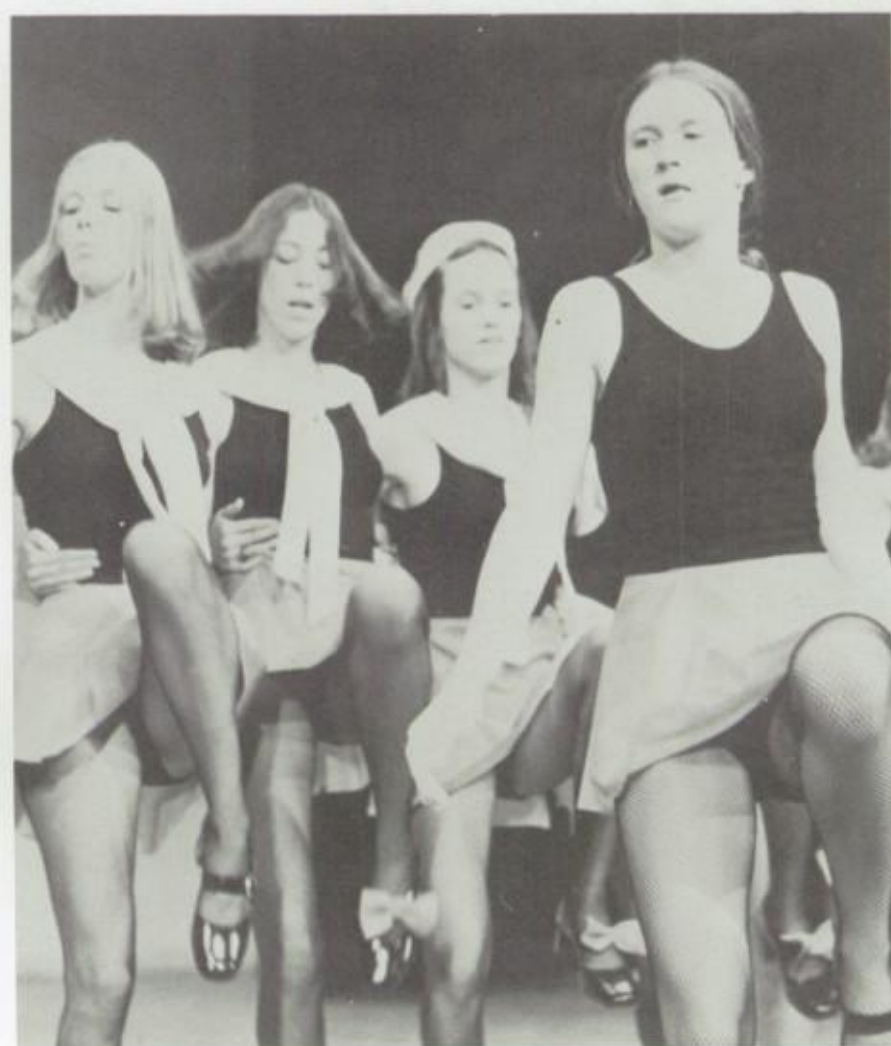

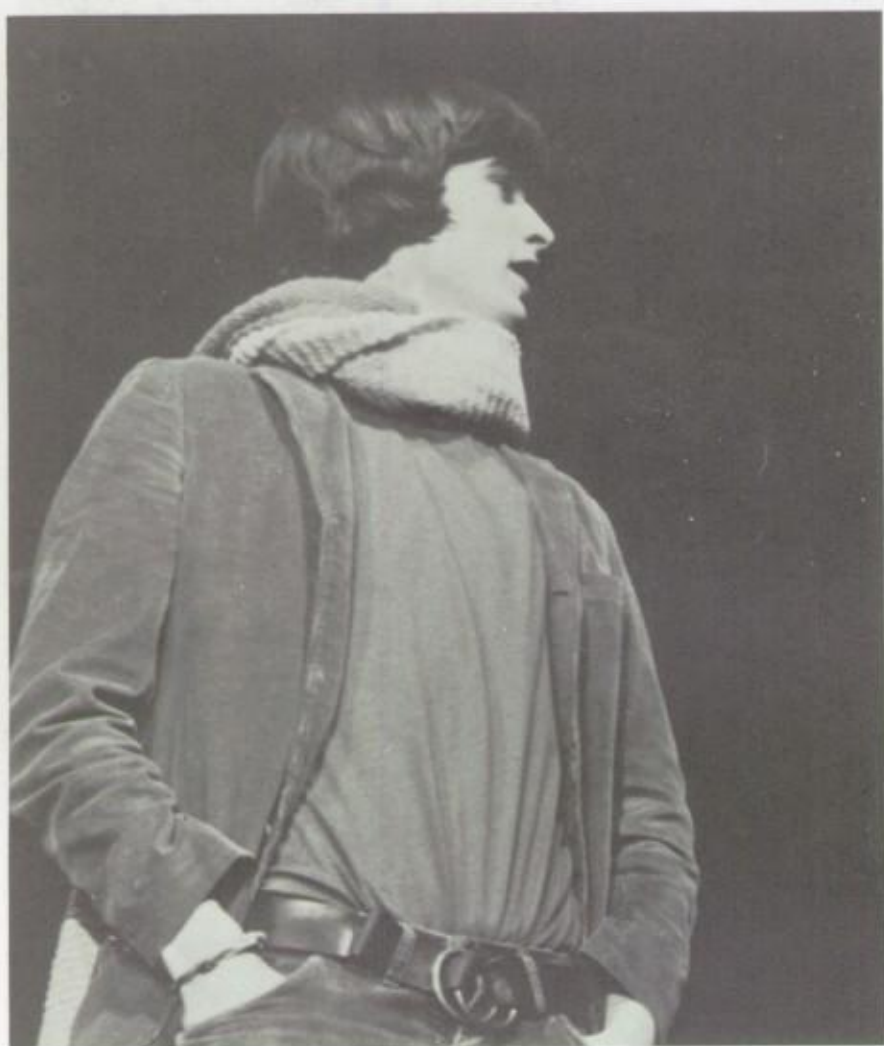

VARIETY '75

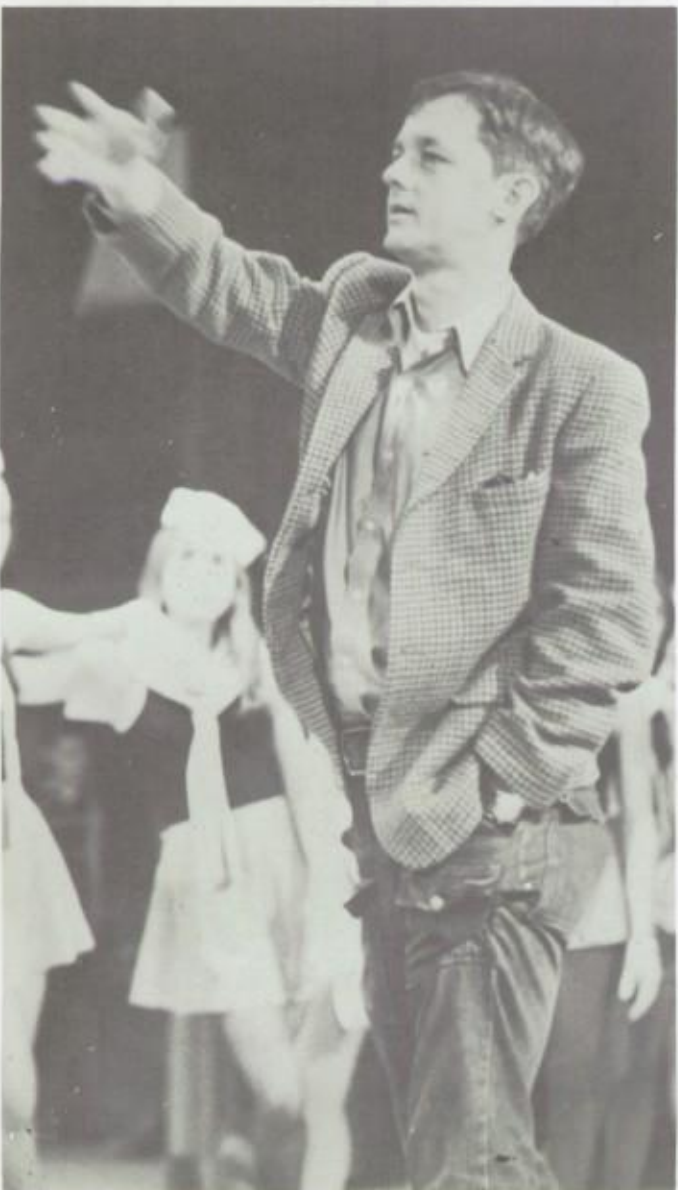

Variety 1975, under the guidance of Mr. Freeman and Jim Percoco, proved what hard work and concentration can accomplish. With a cast of hundreds the shows were a complete sell-out at the John Jay box office. Highlighting this year's show were the infamous "Shaving Cream Song," the faculty act, the 1940's jazz Band, and that ever-popular kickline headed by the capable and experienced Colleen Melahn. Also making a special guest appearance was Lieutenant Columbo of the Italian Police Department. Even more outstanding than the acts above was the moon that shone at the March first performance by you-know-who!

This year's football team came up with a fine 6-2 season. Spearheading the defense were linebackers Nick Clarke and Cullis Mayfield. Calling the cadence was "Diamond" Jim Spanfeller. This team was plagued by injuries left and right. However, under the expert coaching of Ron Lyons, Lou Pesce, and Mike Repp, our team finished in second place. A fine effort guys!

GIRL'S FIELD HOCKEY

Despite tough competition, the John Jay Varsity Field Hockey Team had a fairly successful season, ending with a record of 4-3-3. The highlight of the season was Stuyvesant School Girl Playday. They competed against four schools and ended the day with a 3 win-1 tie record. Most of the credit should go to Miss Bodnar, the coach, who, even though it was her first year as coaching, did a great job of holding the team together. The team ended up with a 9 and 1 record, and looks forward to an exciting season next year.

SOCCER

The soccer team's 1974 season, under the coaching of Doug Bartel, was filled with heartbreakingly close games, and ended with a 3-6-2 record. Three John Jay players—Don Sonberg, Tony Stall, and Lee Wolfel—made all-league. Don Sonberg was the team's most valuable player. The soccer team played a tough and challenging season, and they should be commended for their efforts.

VARSITY BASKETBALL

Sparking the John Jay cagers for 1974-75 were Bob Tumidal, who led the team in points and Jim Spanfeller, who led the team in assists. The Indians under the guidance of Coach Repp have tried in vain to reach that elusive title. Maybe next year.

GYMNASTICS

The Sports staff of the 1975 Statesman would like to recognize Cynthia Spierling, who for the past four years has become the top gymnast in our school, if not in Westchester. As captain of the team, she has proven to be a leader as well as a superb athlete. Maybe the 1980 Olympics, Cindy?

This year's gymnastics teams (girls coached by Ms. Watch, boys by Mr. Cutler) have had rewarding seasons. The girls will only be losing two seniors and the boys' team also losing only two. So once again John Jay's gymnastics team may look forward to another exciting year!

CHEERLEADING

FOOTBALL SQUAD

Members of the varsity football cheerleading squad this year were M. Lewis, D. Tymon, E. Pezzello, S. Ciliberto, J. Gatto, V. Spahr, V. Delorio, R. Lorenti, C. Clarke, L. Zirpolo.

What makes up four years at John Jay?

Seven hundred and twenty homeroom periods,

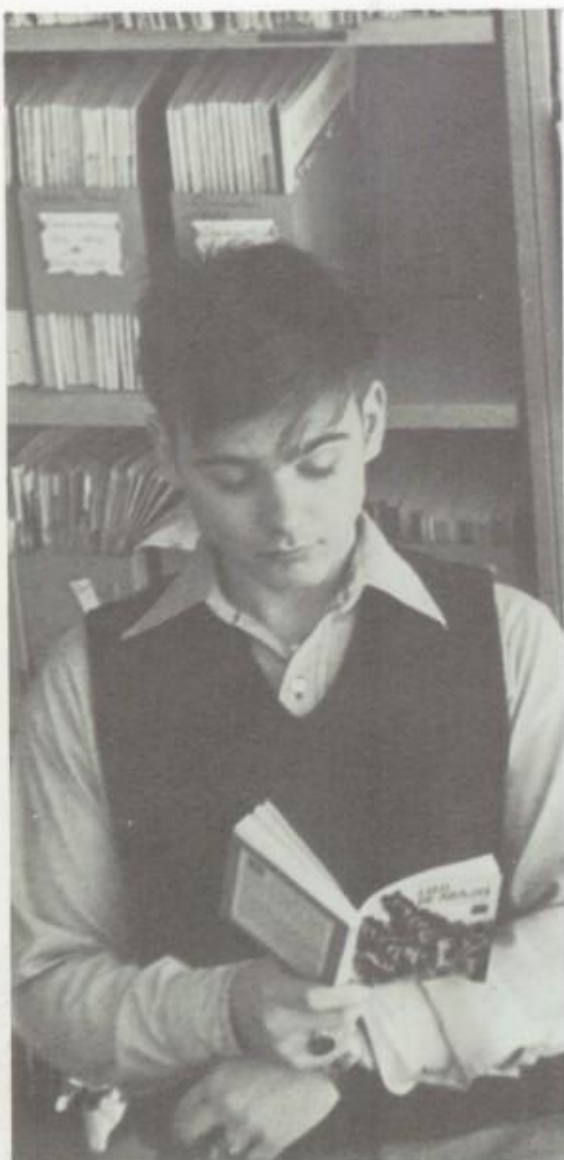

Eleven thousand, five hundred and twenty modules,

Two hundred fifty three thousand, four hundred forty minutes,

Fifteen million, two hundred six thousand, four hundred seconds.

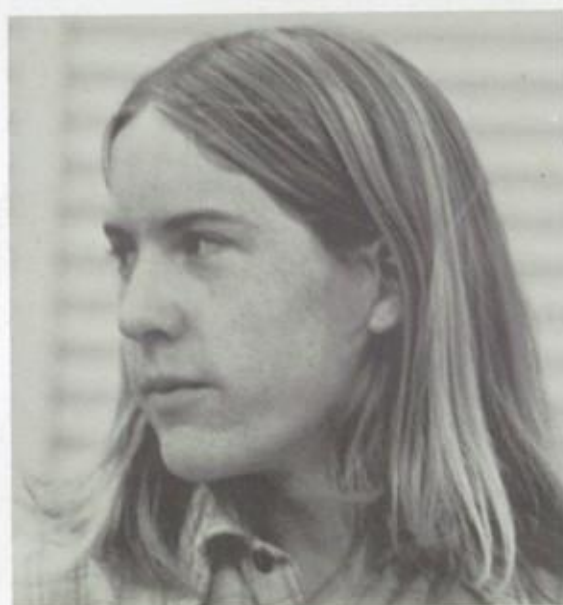

But Time is not what we count.

We count the knowledge we have gained,

The friends we have made,

And the experiences we have shared.

ACKNOWLEDGEMENTS

The staff of Statesman '75 has been the first to have it's own darkroom on campus thanks to the fine work of Mr. Walter MacEnaney and student Chris Perreten. Extended thanks go to Mr. John Ticknor for his help with the technical aspects of the cover.

We are greatly indebted to Mr. and Mrs. Joseph Lawler whose photographic talents and generous contributions of their time and efforts over the past few years have helped the Statesman. Without their assistance the sports section of this book would not have been possible. In addition, we would like to thank Mr. David Westfall for the photographs he gave us.

Special appreciation must be given to Variety 1975 and the Student Council for their stupendous donations.

What can be said about the man who ably guided the 1975 Statesman through its times of turmoil and numerous major crises over the past year? Mr Curry always steered us in the right direction. We will never forget him for the help he gave us. Thanks, Hawkeye

Thank you, Mrs. Goldberg, for helping make our yearbook a success with your financial and business know-how.

Ellen,
Not much to say, but
lots got together
with the gang over a
summer and have a
couple of these girls
right out on the town.
See ya at Good, Sue
D.R.I.

Ellen;
I'm sorry we
didn't dance more at
GG's but then you were
always off in the corner
with Charlie. Picking him off
the floor.
Love
Diamond.
